PREPARATION

- 1. The child must do the preparation, cooking and presentation. If a child is unable to do all of these, he/she is too young to cook. This means that the child should be able to put his own meat on the grill, turn his own meat on the grill and take the meat off the grill and do all garnishing. If your child cannot do this, then the child is too young to be cooking this contest.
- 2. The supervising adult may help with lighting the fires or slicing. Other than slicing, the adult should not be touching the food. This is a children’s cooking contest, not an adult one. If the adult is caught handling the food and doing what the child is capable of doing, there will be a verbal warning. Second time caught, the child and adult will be disqualified and asked to leave. *Please don’t get your child disqualified because you can’t let the child do his own cooking.*
- 3. Handicapped children need not be eliminated from competition. Each handicapped child will be assigned an assistant other than the supervising adult. The disabled child must first attempt, multiple times on their own, to perform a task. Only if unable to perform that task will the assistant help. The assistant will help as little as possible and will encourage the disabled child to complete as many task on their own as possible.

ADDITIONAL RULES AND REGULATIONS

- 1. All children will cook in a designated area on grills and charcoal provided by the Horse Town Brew n Que.
- 2. A parent or guardian must be present with the child during the entire cooking competition and **ONLY ONE assistant per child will be allowed in the cooking area.** Our cooking space is limited and for safety reasons, we want to give the kids as much space between each other as possible. This one adult must stay within the cooking area with the child until the child has turned in his/her box. We suggest you bring a folding chair and sit back and watch your child cook.
- 3. Entries will be submitted in the numbered containers provided by the Horse Town Brew n' Que Festival.
- 4. Slicing meat for presentation is not required. If needed, judges will be equipped to slice the meat presented at the judging table
- 5. Judging will be based on appearance, tenderness/texture and taste.
